

If you could save someone's life today...

Would you?

You Can.

Meet Andrew

- Andrew was diagnosed with autism at the age of 3.
- Early intervention and therapies are helping Andrew prepare for a bright future.

Picture courtesy of Autism Speaks

Meet Evan

- Evan was born 12 weeks premature.
- Five years ago he probably would not have survived: today Evan is healthy and thriving.

Picture courtesy of March of Dimes

Community Health Charities is improving the lives of people affected by illness or disability by uniting caring donors in the workplace with our nation's most trusted health charities.

**Look for our list of charities in your official TECC brochure.
